**COMPETITION FORMAT:**

**PRELIMINARIES**

We will be running the meet as a Modified Capitol Cup format. We will warmup the first flight of girls, and when they start competing, the second flight will begin their timed warmup. You will compete on the equipment you warm up on. We will set up the sessions, so we compete by GYM. This way, the kids are all together, and the coach only has to do 1 of the preliminary sessions. We will spread the gyms out in such a way that non-US based gyms are with US-based gyms.

**EVENT FINALS**

AFTER conclusion of the Final session for that level, the event finalists will be determined, and the event finals will be posted on the website for competition the following day. Rotation sheets will be made available on the website. We will make EVERY EFFORT to not have the coaches on 2 events at the same time, but please remember, based on numbers, it may not always work out that simple. The details around team finals will be determined at a later date

**AWARDS - PRELIMINARY SESSIONS – ALL-AROUND**

AFTER each session we will acknowledge and medal the Top **Preliminary All Arounders** for each age group. This will result in multiple Preliminary All-Around champions across the multiple sessions for the level for each age group. At the conclusion of each session for the preliminaries for the level, we will announce the Top Event Finalists for each age-group. The top **6 All-Arounders** for all age groups, across all sessions for that level, will be announced and awards presented at the event Finals session to acknowledge the TRUE world champion.

**AWARDS - INDIVIDUAL EVENT FINALS**

The top number of gymnasts on each event for each age group making event finals on that event is listed below in the matrix. (across all preliminary sessions for the level). We will medal out 100% for each age group for each event during the Event Finals. We will ALSO medal out the TOP **6 USAIGC World Champion All-Arounders** for each age division based on the Preliminary sessions (NOT the event finals) .
